

HISTORY

HISTORY

Custom graphics since 1957.

We are one of the largest and most modern screen printing/digital plants in the Mid-Atlantic region, but small enough to always be attentive to your printing needs. The 38,000 square foot facility was custom built to produce quality screen printed products and digital graphics.

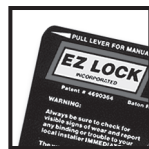

For an expert consultation on your next printing job, the professionals at TIMSCO are only a phone call away. You can reach our friendly customer service department at (800)784-9789, FAX us at (301)702-0098, or visit our web site at www.timsko.net. We look forward to hearing from you.

BANNERS

BANNERS

Our company produces high impact indoor/outdoor banners of any size or quantity in numerous colors. TIMSCO prints banners on vinyl, Tyvek, nylon, and polyethylene. Banners alone, can promote your products and services to the masses.

DECALS, NAMEPLATES & LABELS

DECALS

Decals and Labels

Decals, Nameplates, and Labels are available in any size, shape, or quantity and can be printed on vinyl, low tack, static cling, mylar or Lexan.

Nameplates

Metalphoto, polycarbonate, mylar, aluminum and vinyl are some of the popular substrates that we use for production.

Below, are other examples highlighting the different applications for Nameplates, Panel Fronts, Decals and Labels:

- Tamper Proof Dupont Tedlar Coated Face Plates
- Equipment Marking
- Identification Labels (Roll, Sheet Form or individual)
- Vehicle Graphics
- Signage and Award Plaques
- 2 Way Reader Graphics

FULFILL

FULFILLMENT SERVICES & ASSEMBLY

When your graphic work is complete, the product must pass a quality control inspection before entering the finishing department. Our shipping department handles many packing and shipping requirements to any location.

- Hemming
- Laminating
- Mounting
- Die Cutting
- Grommeting
- Folding
- Assembly
- Mailing /Shipping

DIGITAL GRAPHICS

DIGITAL

TIMSCO has joined the wide format digital printing revolution with the addition of high resolution digital graphic printers which allow us the flexibility of short run digital graphics with quick turn-around deliveries. We offer a wide variety of substrates from transit to cast vinyls, banners, styrene and photo quality portable graphics.

EXHIBITS

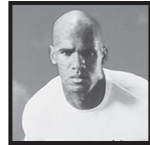

PORTABLE EXHIBITS

TIMSCO can create the eye catching graphics necessary for a successful trade show exhibit because we print on a wide variety of surfaces and materials. We can design and build a booth for your company that communicates a positive corporate image and a targeted marketing message.

Magic Frame pop-up display systems are manufactured in our facility. We provide a full range of portable exhibits and table tops at affordable prices.

For more information on our portable exhibits visit www.magicframe.net or call Magic Frame at 800-638-0980.

POINT OF PURCHASE

P.O.P.

P.O.P. displays include three dimensional signs, posters, banner holders, easels and kiosks. These items can be screen or digitally printed using four color process or by combining any selection of colors to achieve the results you desire.

TRANSIT

TRANSIT ADVERTISING

Transit Advertising is a popular way of distributing marketing messages to the public. We print all popular transit formats in bright, durable colors: bus cards for interior and Busmark vinyl for exterior, tail, queen and king formats, bus shelters, subway system posters and colorful dioramas. All our public transit advertising is produced on transit approved material.
